B. Types of Advisory Services

Greenfield Seitz Capital Management, LLC (hereinafter "GSCM") offers the following services to advisory clients:

Investment Supervisory Services

GSCM offers ongoing portfolio management services based on the individual goals, objectives, time horizon, and risk tolerance of each client. GSCM creates an Investment Policy Statement for each client, which outlines the client's current situation (income, tax levels, and risk tolerance levels) and then constructs a plan (the Investment Policy Statement) to aid in the selection of a portfolio that matches each client's specific situation. Investment Supervisory Services include, but are not limited to, the following:

- Investment strategy
- Asset allocation
- Risk tolerance
- Personal investment policy

GSCM evaluates the current investments of each client with respect to their risk tolerance levels and time horizon. Risk tolerance levels are documented in the Investment Policy Statement, which is given to each client.

Services Limited to Specific Types of Investments

GSCM limits its investment advice and/or money management to exchange-listed securities, securities traded over the counter, foreign issuers, Corporate debt securities, Certificates of deposit, Municipal Securities, United States Government Securities, and Options contracts on securities. GSCM can use other securities as well to help diversify a portfolio when applicable.

C. Client Tailored Services and Client Imposed Restrictions

GSCM offers the same suite of services to all of its clients. However, specific client financial plans and their implementation are dependent upon the client Investment Policy Statement which outlines each client's current situation (income, tax levels, and

risk tolerance levels) and is used to construct a client specific plan to aid in the selection of a portfolio that matches restrictions, needs, and targets.

Clients may impose restrictions in investing in certain securities or types of securities in accordance with their values or beliefs. However, if the restrictions prevent GSCM from properly servicing the client account, or if the restrictions would require GSCM to deviate from its standard suite of services, GSCM reserves the right to end the relationship.

D. Wrap Fee Programs

GSCM does not participate in any wrap fee programs.

E. Amounts Under Management
